Freedom Community Coloring Book

The Freedom Village Store staff is organizing the creation of a community coloring book. They are aiming for a 20-page coloring book and need 40 illustrations. They'd like drawings from people of all ages. There is no limit to a specific category or theme; fantasy, abstract, realistic, cartoons are all welcome. Please get your drawings to the store by April 30th. The coloring books will be sold at the Freedom Village Store.
