

Kindle Summer Program

Following is a short list of things you may need to know for getting full use of your student's Kindle.

- Kindle has excellent tech support. It is **FREE!**
- There is a live chat option but make sure you are on the Amazon site.
- The number to call for wifi issues is 1-866-321-8851
- My e-mail is kshackford@freedomelschool.com. If you need help let me know. I check my e-mail all summer.
- If you have no wifi at home you can access free wifi from the school or the town library.
- Once you have downloaded content onto the device you do not need wifi to view it. Taking a road trip? Download content to use on your trip!
- Some of the books will read to the student. There is a headphone jack that can be utilized if you have headphones.
