Pennies For Patients

Freedom Elementary School has kicked off its annual Pennies for Patients fundraiser for the Leukemia and Lymphoma Society. Last year we raised more than \$600 thanks to the students, families and community members. Unfortunately this year a member of one of our families has had their Hodgkin's Lymphoma return after a few years of remission. We want to help both the family and the Leukemia and Lymphoma Society. The money that students raise will be sent to the LLS and the money raised from the community will be given to the family. Please make checks out to Freedom Elementary School. We are accepting donations until March 25th.

The Giant Traveling Map of New Hampshire is coming to Freedom Elementary School

In honor of the Alliance Networks 30th anniversary, National Geographic has gifted the New Hampshire Geographic Alliance with a Giant Traveling Map of our state. This map aims to encourage geographic learning at the elementary school level through physical movement and games that will teach students physical geography, cultural geography, map reading skills, and many other valuable lessons. The map will be at Freedom Elementary from March 19th-30th. We invite the community to come for a "Look and Learn" on Monday, March 26th, from 5-5:30 p.m.

Upcoming Events

~Friday, March 23rd,
Early Release, 1 p.m.

~Friday, April 6th,
Student Council
Sleepover, 6:30 p.m., at
