Pennies For Patients

Freedom Elementary School has kicked off its annual Pennies for Patients fundraiser for the Leukemia and Lymphoma Society. Last year we raised more than \$600 thanks to the students, families and community members. Unfortunately this year a member of one of our families has had their Hodgkin's Lymphoma return after a few years of remission. We want to help both the family and the Leukemia and Lymphoma Society. The money that students raise will be sent to the LLS and the money raised from the community will be given to the family. Please make checks out to Freedom Elementary School.

Read Across America

Read Across America kicked off a reading challenge at an assembly last week. This challenge is for the entire school community - students and staff - to read 600 hours during the month of March. Each student will be required to read a minimum of 20 hours during the month. The reward will be a school-wide field trip to Story Land, sponsored by the PTO.
