WALK TO SCHOOL DAY

In its 20th year, International Walk to School Day is a global event that involves communities from more than 40 countries. Schools across America participate every October. Freedom Elementary School students will walk on Wednesday, October 4th. Our staff will meet school buses at the monument in the village at 8:50 a.m. Parents who drive their children to school can also meet there. Staff and students will then walk to school.
