Welcome Back!

Volunteer Coaches Needed

Coaches are needed for a K-2 soccer program. Without a volunteer there most likely won't be a program for that group. If you can help, call Jody at 986-0326.

Lunch Prices Changed

As you read in the family handbook, lunch prices have changed. Lunch now costs \$2.55, breakfast costs \$1.35, and snack milk costs 35 cents. Make checks payable to Madison Lunch Program or go to myschoolbucks.com to sign up for online payment.

Unfortunately this year, Freedom did not qualify for the fresh fruits and vegetables program which provided a morning snack for all students. Participation in this program, as well as funds for Title I, are based on the number of students who access free and reduced lunch. Please be sure to complete the necessary form if you think you may be eligible for price reductions for lunch and breakfast.

Upcoming Events
